

Shrubs

Adoration
November 2011

"That which is from the beginning, which we have heard, which we have seen with eyes, which we have looked at, and our hands have touched - this we proclaim concerning the Word of life. The life appeared and we testify to it and we proclaim to you the eternal life, which was with the Father and has appeared to us. We proclaim to you what we have seen and heard, so that you also may have fellowship with us."

I John 1:1-3

Dear Shrubs,

There is power in the testimony of one who has seen and/or heard Jesus, but there is greater power in the testimony of one touched by Him! This is my prayer...

Oh Father.

My spirit has been bleeding for years, touch me and make me whole.

Where I live can't make me whole. Who I surround myself with can't either.

My own hand is dead to help myself. Jesus reach out and take my hand.

Touch it and transfer your life to me.

So often my unworthiness causes me to withdraw my hand from reaching out to you.

Take the Mercy initiative and grab me in my uncleanness.

Touch me and make me clean.

Oh Jesus, living in a world crowded with others with such overwhelming needs

Touch them...touch me too!

There is no limit to You. Your arms are never too short that they can not reach me.

Your desire to touch and heal never diminishes. Touch my life.

Jesus, I call on you to touch my fearful parts. I hear you warmly encourage me to "get up", "Don't be afraid."

Transfigure my face-down spirit, touch under my chin and be the "lifter of my head."

Touch me and flood my soul with your joy!

Jesus touch me that my doubt may take wings and fly home to Hell.

Touch me and renew my faith and confidence in You!
Jesus lick your fingers and put them in my deafened ears.
Heal and unplug them, that I may clearly hear You, your promises and Truth.
Grab my tongue with your spit-moistened fingers and release it.
Touch my mouth, for it has been so mute when it comes to sharing you!

Jesus, I have seen your work so many times.

I have seen you work innumerable times.
But I long to join the fellowship of fellowships,
Those who have been touched by you,
Those transformed, who are no longer who they once were.
Those who ADORE you because You touched them and made them whole!

Amen
