## A Word of Encouragement

Dear Shrubs,

I have an **ENCOURAGEMENT** for you this hour!

But first answer this question for you from the Lord:

**"Are My arms to help you all of a sudden?"**  
(Take 5 minutes and write out your answer to this query)

In Numbers 11, Moses has a legitimate big-time need for God's provision!

**"But Moses said, 'Here I am among 600,000 HUNGRY MEN' and you tell me you will give them meat to eat for the next MONTH? How? Even if we slaughtered all our animals and emptied the sea of fish it would not be enough."** - Numbers 11:21-22

So He brought his need to the Lord...nothing wrong with that. The Lord responds, *"Is my arm too short?"* (vs. 23) - Also, see Isaiah 50:2 & 59:1.

Now go back to your response to this question.

After this question God answers Moses' request in a WEIRD WAY...

**HE BLEW ON HIM...TWICE!**

The food for the men came later, first the Spirit of God blew on 70 men and they all began to exercise their spiritual gifts. (Sounds like a glimpse of Acts 2)

Then in verse 21 it says a big blow came **"out from the Lord"** and they found themselves knee deep in poultry!

The encouragement I promised you:

**The Lord not only provides what you perceive the physical need is, but goes beyond that and provides what you need spiritually, which you cannot see, but is of much greater value and importance!**

And He simply does it by blowing His Spirit upon YOU! (See Luke 2:2)

And He simply does it by blowing His Spirit upon YOU! (See John 3:8)

**Are you in need today?** Present it and throughout this day just say, "Spirit blow" and you will see **He'll prove His arms are still plenty long!**

Love you,  
Brad

PS. **Be strong** and I would love to hear your thoughts!
