### PFG CAPE MISSION '25 July 10 - 14 In Cape Vincent, NY

**WE ARE HEADING OUT ON A MISSION**  
If you have been following our newsletter you know that PFG has been supporting a small group of new believers in Cape Vincent, NY since last summer. We have been traveling to Cape Vincent once a month for the last year to minister to the ones leading the charge for God in the community. At our PFG Board Retreat in May, the board decided to officially adopt Cape Vincent as an ongoing mission and we are asking you to join us in this as well!

Our daughter, Bonnie, and son-in-law, Kevin, live there and have been diligently seeking to be the face of Christ in the Cape along with their friend Nicole. They have been fostering a youth ministry in Cape Vincent, and we are quite enthusiastic to present a Missions trip there, July 10th - 14th, during the community's annual French Festival. This community of 1000 sees approximately 10,000 people over the weekend.

We are taking a group of teens and adults from various locations across WNY as well as several of our Board Members. We will be serving the community in various ways to include clean-up projects, assisting Christian business owners, prayer walks, a prayer tent, church services, and handing out PFG's "Handwritten Bibles", making ourselves available to share Christ with the residents of Cape Vincent as well as the visitors. Our main goal is to bring Christ's peace and love to those with open hearts.

**WE NEED YOUR HELP** to underwrite this trip! Your donation will help to enhance this trip through, the purchase of Bibles and materials to share the Gospel, food to provide during times of fellowship and supplies to keep our missionaries going throughout the weekend.

Please **SUPPORT** this year's Youth Mission and most specifically **PRAY** that we can encourage, teach, fellowship and bring the light of the Gospel to this community.

**PEOPLE IN CAPE VINCENT ARE ALREADY PRAYING FOR GOD'S POWER UPON THE MISSION. WILL YOU PLEASE JOIN US IN PRAYER?**

**Hello PFG Supporters,**

I wanted to take a minute and speak into the Spiritual movement within the PFG ministry. As with most ministries, we have a board in place to help Brad and Robin navigate and manage the inner workings of the ministry. The main reason I am writing is to bring to your attention that we are not just a ministry team, we are a spiritual family that cares about each other and the health of our hearts. Besides meeting throughout the year to discuss PFG business, we have committed to meet as a PFG team, which includes all members of the ministry, one weekend a year to minister to each other. This meeting is at a remote location and includes fellowship, prayer, listening to Gods direction, listening to each other, laughter, and a lot of food. We are grateful for the passion, dedication, and prayers that each of you invest in this journey. Together, we are building a foundation rooted in faith, service, and the unwavering commitment to strengthening this ministry. Our time together is not focused on the business of the ministry; it's focused on the heart of the ministry and checking our hearts toward it. Our theme this year focused on our personal connection to Gods church and how that personal connection and the church influences PFG. We spent times discussing that we cannot hear from God as to the direction for PFG if we do not have a pure heart and a pure heart for the church. "Blessed are the pure in heart, for they will see God." (Mt. 5:8) As a board member it is vital that we have a heart not just for PFG, but a pure heart to see God's direction for us on a personal level to influence the ministry in a Spirit-centered way. Thank you for your time and support to PFG.

-Bryan Pecora, Board Member

"The Leadership Retreat was a spirit-filled weekend, and completing my first "Heart Psalm", lifted a weight I didn't know I was carrying. It was also refreshing to talk about servant leadership again, which needs to be talked about more in the Body of Christ".

*Blessed are the  
pure in heart, for  
they will see God.*

"A couple of years ago, the Lord began nudging me to attend a Healing Journey class. There, I truly learned that my identity comes from Christ, and it revealed many of the lies I'd believed. However, I knew I needed deeper healing. I still didn't feel fully free in my marriage and felt distant from the Lord.

When Robin invited me to Soul Care, it has become a place where God deeply ministers to me and meets me. Healing prayers have brought me a new sense of freedom in His presence. What a loving and compassionate Lord we have! He patiently waited for me to ask Him to do the work in my heart that I didn't even realize I needed. I'm so thankful for the gift the Lord has given Robin to listen to the Holy Spirit. Thank you, Father, for your relentless pursuit and for restoring peace and joy to my life."

## Please Join us in Prayer and Thanksgiving!

We continue to minister to the people God places in our lives and are currently working with many couples experiencing the challenges that marriage and life offer. **Pray we are able to help shepherd these couples!** We are leading monthly prayer meetings for the sole purpose of calling people to Personal Revival. **Pray God continues to work through us in this!**

We have been blessed with the opportunity to support a local Pastor as he leads "Infusion" - a group designed for men and women in the pastoral role - to support, pray for and help seek God's design and vision for all of their personal ministries. Brad continues to lead two men's discipleship groups and the growth has been a true work of God. **Pray God continues to foster these relationships!**

We would like to extend our heartfelt gratitude for your continued support over the years. Pure for God was a gift given to us by God and each of you have helped to support the continuation of God's work, so Thank You! **Please pray that God continues to bless us with the time, energy and resources to continue in all of these wonderful areas.** With Love,  
Brad & Robin

BRAD IS WORKING ON THE FINAL TOUCHES OF "A THOUSAND ELSEWHERE" TO BE PUBLISHED SOON

# Soul Care

I am a 39 year old born-again Christian woman who has been living with a lot of trauma from my childhood. I came to Robin in December of 2023 with a lot of healing work that needed to be done. With the help of the Holy Spirit, over the last 8 months, Robin has helped me make sense of the wounds that have held me captive my whole life. With compassion and understanding, she continually pointed me back to Christ where I have found renewed hope and healing. I've experienced so much freedom through the work I've done and have felt its effects not only in myself, but in my husband as well. We have a new outlook on life and our marriage, and are making positive changes in our lives and family. We're re-centering our hearts on Christ and learning how to walk in dependence on Him. We're so grateful for how God has used Soul Care in both our lives. -Anonymous

"I am ever so grateful to know the Lord for so many years. Always working at our relationship, I would recognize that I would come up against the same old things, not realizing and having absolutely no idea of what was in the way. When coming in contact with Robin, my "God Image" was being snuffed out. I had some lies that I believed that I needed to face in order to clear away and replace with God's truth. With Robin guiding me, the Holy Spirit was able to clear away what was stopping me from living the life that God had for me.

This was by no means an easy task! Looking at reality and facing my own mistakes and ignorance was challenging. Being one of the hardest things I have ever done. Through the comfort of the Holy Spirit, it has turned out to be the best thing I could have ever done for myself and my walk with God. Because of my wounds, Soul Care offered me counsel to invite the Holy Spirit in and guide me through until I was free to live closer to the King of Kings. "Anonymous"

England, here we come AGAIN!!!!~ Brad and Robin will be across the pond for 3 weeks this fall. Down the road we will send out a separate letter but one thing we will be doing is supporting a young couple in ministry stationed in a very poor housing estate, called Locklease. We will be introducing First Love, Leading Prayer Meetings, Doing Soul Care, Preaching and creative outreach.

## "ANSWERS TO YOUR PRAYERS"

We had asked you to pray about our 1 week per month visits to Cape Vincent in the 1000 Islands to disciple a group of dear young believers. Brad has been preaching their Sunday service and meeting with individuals and Robin is doing Soul Care with some. We are thrilled to say it is growing and more teens are attending! At the end of August we will baptize them in the St. Lawrence River. **PLEASE PRAY** the enemy does NOT snatch one seed!! PRAY for them to GROW strong in Christ and for many opportunities to share their personal story of how they came to Christ. New people have visited and we pray for God to grow this organically.

Part of this story started the 13 years we lived in Cape Vincent. It WAS a beautiful location to live but also, the spiritual climate was so ill and off center. It deeply grieved us but at the same time, God put us on a course to seek the "irregulars", the ignored ones, lonely people, and those who "had", yet didn't "have" Christ. It was then, I, Robin began to pour into many women in the community. Recently it has been discovered that one particular woman did eventually find Christ. Now one of her daughters is attending the Sunday service! This young lady came to Christ after reading a children's Bible Robin had given her mom. Also, her older brother now knows the Lord. We see a future youth group growing!
