

PURE FOR GOD MINISTRIES

WINTER MINISTRY UPDATE 2025

Calling individuals to purity and holiness through the Gospel of Jesus Christ

PURE FOR GOD IS IMPACTING TEENS AND WE NEED YOUR HELP

Pure For God seeks to be unique and distinctive in our ministering to young people and those who influence them. We are committed to presenting the entire Gospel of Jesus Christ to young people, with the distinction of calling them to live Pure For God. We also emphasize making sure a teen knows Jesus personally and shows signs they are spiritually alive before we look to promote Spiritual growth in them.

Hello to you, our friends and supporters of PFG! It's been a bit quiet on the PFG front as far as communication with you, but be assured, we have been busy about the Lord's work. This month we wanted to draw your attention to some of the NEW WORK PFG has been doing in supporting teens.

In our town of Gowanda, NY Brad is walking alongside Joel Thomas, Missionary Youth Pastor of Gowanda Assembly of God church, in raising up a core group of teens who will take their faith seriously. Once a month they are in our home as Joel feeds his sheep, then a larger group will

arrive/attend, to be influenced and encouraged to follow the core group.

ALL being directed to Follow Jesus.

Brad also spent some time February 1st teaching Joel's Youth Leadership Team on how to identify signs of life in young people before looking for growth.

THE TAB.

This month Brad is speaking to the youth at the Tab in Orchard Park. Their youth pastors are Luke and Laura Arcadipane. Brad will be teaching on the importance for teens to live out of and understand the Attributes of God. It's been refreshing to hear of the youth there finding their safe lodging in Christ, and beginning to take true steps in learning how to hear the voice of God. Our heart is to enable youth leaders to teach teens to go deeper, to join together, increase their numbers, and find fellowship with each other. Now more than ever, teens need the intentional support from each other and their leaders.

Cape Vincent

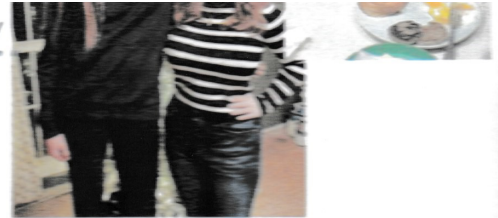

God has been slowly changing the spiritual climate in Cape Vincent, NY. "THROUGH" Prayer. As you know, this little community has begun meeting each week and people are being not only saved but delivered. God moved upon a seventh grade boy named Garrett to start a group at school, and Julia and Mercy are leading it. The Bible club is called "Youth Christian Club, YCC" They recently had their first meeting and several teens attended. PLEASE Pray for this to THRIVE and for teens feeling discouraged, lost and unloved to find their way to this group.

Brad has had such a blast discipling his group of six young adult men and now, it has grown to seven! The last two meetings they have discussed the

Brad has had such a blast discipling his group of six young adult men and now, it has grown to seven! The last two meetings they have discussed the problems that arise when Christians function in the Fear of Man. They have expressed finding it difficult to say "no" if needed for the sake of keeping a person happy or pleased with them. They have truly gleaned a lot of wisdom from this teaching. Let us raise up quality young men (and women) who answer the call of Christ FIRST! Their next group's teaching will be on "Understanding the Fear of God".

Many of you have supported us these thirty years on our trips to England. God has done MIGHTY THINGS.

November 2024 England Update: Brad and Robin were in England! Some of our trip was solely to have time with several individuals and couples struggling in life situations, unresolved anger/confusion with God/ the church, people in the church, parents and hardships with their children.

We supported a younger couple stuck in an unhealthy situation who needed clarity to see their way ahead. We also had complete joy being with a pastor and wife who live in a poor drug-ridden community. It was good to be with them face-to-face, to see and hear of their passion for their community. This is our GOD! He gives us LOVE for the Unlovely. We spent time with another young couple who have both experienced past hurts in the church and saw their parents hurt. Suspicion and unresolved hurt lingers in their home but we were able to encourage them to step towards Jesus.

We stayed in several homes with people who have found having ADHD quite a struggle for them as they navigate ministry, home life and marriage. We learned from them first hand and can use this now in our ministries. Lastly, as a result of our time in England, Robin is now doing Soul Care with two new youth workers in England.

"Why didn't anyone ever tell me God didn't come to condemn me? I read John 3:17 and it really helped me"

"I'm seeing a change in my life. I've gone to my room to kneel and pray and just be angry and ask for help. I've been able to feel calm and no longer angry very quickly. I'm finding it easier to give thanks to God for so much more. It's easier to read the Word and have it mean something to me".

"For all the promises of God find their Yes in Him. That is why it is through Him that we utter our, "Amen to God for His Glory. And it is God who establishes us with you in Christ, and has anointed us, and who has also put His seal on us and given us His Spirit in our hearts as a guarantee".
