CALLING INDIVIDUALS TO PURITY AND HOLINESS THROUGH THE GOSPEL OF JESUS CHRIST

Fall ministry update 2025

THERE IS DEEP VALUE IN DISCIPLEMAKING

Matthew 28:18-20

- One of our first priorities is to make disciples of Jesus Christ.

Disciplemake by laying down Biblical foundational truth to:

- A Group of young men ages 18-24
- A group of older men ages 25-70
- Pastors and Youth Pastors
- Young ministry couples

**Disciplemaking is successful only when
we produce disciplemakers, not
students.**

When we gather - we study the bible, nothing else.
Usually for a minimum of 1 hour, sometimes longer
and there is never disinterest.

We focus on the elements of the Great Commission-

- The totality of the gospels doctrine.
- The authority we have in Christ.
- Call to go into the world and tell people about Jesus.

WE STUDY:

- The Father and His Love
- Jesus the Son, his death, life and resurrection.
- Holy Spirits ability to make us like Jesus.

We teach that as we do these things, we can claim the promise of Christs presence,
the key to the victorious Christian life and the need to obey him.

This produces a love for God, love for the lost,
a pure life and courageous faith.

Yours, Brad

Cape Vincent News

Over the summer and going into the Fall, Brad and Robin will both be continuing to support the believers in Cape Vincent, NY. God is establishing His truth more and more within the believers there and in those they are reaching out to. Our son in law Kevin and Bonnie our daughter are preparing a group of seekers and younger believers in how to study the bible to get something personal out of it.

Nicole, a board member of PFG is connecting with the local FCA (Fellowship of Christian Athletes) representative. She desires to place a chapter in the Thousand Islands high school.

PLEASE PRAY for this ministry in Cape Vincent!!

As an act of preparation, teens threw stones in the river signifying letting go and receiving God's forgiveness for anything they brought to the mission

PFG CAPE MISSION SCOUT TRIP

Brad teaching first principles bible study

A great group of kids

Teens need experiences on their Christian journey to learn how to find Jesus for themselves and others. PFG's missions throughout the years have been incredibly blessed! The years Brad and Robin have served taking teens down the east coast with teen choirs in the 80's and 90's to going to England in the 2000's has brought much fruit in the lives of 100's of teens and adults.

The Cape Vincent Mission was 3 day "scout" mission. We chose Cape Vincent because this was to compliment the work being started there over the last 1 1/2 yrs. We were testing the ground, taking some spiritual ground and walking alongside a group of teens and adults who had never experienced a "mission" before. Sometimes a mission is just being present with people who don't yet know Jesus or haven't come into knowing Him fully. We are trusting the Lord to take the seeds we scattered to cause growth and bring multiplication.

"A couple of years ago, the Lord began nudging me to attend a Healing Journey class. There, I truly learned that my identity comes from Christ, and it revealed many of the lies I believed. However, I knew I needed deeper healing. I still didn't feel fully free in my marriage and felt distant from the Lord.

When Robin invited me to Soul Care, it has become a place where God deeply ministers to me and meets me. Healing prayers have brought me a new sense of freedom in His presence. What a loving and compassionate Lord we have! He patiently waited for me to ask Him to do the work in my heart that I didn't even realize I needed. I'm so thankful for the gift the Lord has given Robin to listen to
