

PURE FOR GOD MINISTRIES

FALL MINISTRY UPDATE 2026

Calling individuals to purity and holiness through the Gospel of Jesus Christ

From Brad's Heart

I firmly believe that the church is obligated by Scripture and the Spirit to go and preach the Gospel, clearly and vividly, with the intent of seeing people saved and to call the church to do the same.

In May and June, we held our first PREACH class where 10 students were taught, trained and given the opportunity to do just that!

Over the course of 3 sessions, I spoke on topics such as *"The Call of the Gospel"* and *"What is the Gospel?"*. Participants were required to prepare a short Gospel message AND personal testimony to be shared with the group. You would be so blessed at the desire and the heart young people developed to reach their generation for Jesus & how they are applying this in their daily lives too!

I also had several opportunities to preach in local churches. All sermons are on our website and I encourage you to listen to and share them! Some of the messages I preached were:

Brad with Khyley, one of the participants who preached her 1st message!

“
**Go into all
the world
and preach
the Gospel...**
”

Mark 16:15

Dazzle

(Preached at The Way Church of God in Sanborn, NY & Folsomdale Baptist Church in Cowlesville, NY)

This sermon asked the questions, "Where are the believers filled with Christ and His righteousness? Who will reflect His light?" In this sermon, I presented 36 qualities of a righteous life.

Dirt

(Preached at Folsomdale Baptist Church, NY)

A message teaching on how our fruitfulness depends on the condition of your heart.

Lord, I am Unstable

(Preached at The Way Church of God in Sanborn, NY)

A poignant examination on the one thing that never changes, God. A new call to trust God amidst dramatic and constant change.

For the Sake of the Call

(Preached at The Way Church of God in Sanborn, NY)

A sermon challenging the malaise church of our day to count the cost of spreading the Gospel; to answer God's call to all believers, have courage, pray for the lost, rehearse the Gospel message and open their mouths on behalf of the Jesus who died for them.

Soul Care CONFERENCE

On September 11 & 12 we held our first Soul Care Conference in Eden, NY, titled "Prayers that Heal the Heart." Brad taught an excellent session on *"The Insidious Nature of Sin"*. Our daughter Laura spoke on *"Believing God"* and Robin spent Saturday leading attendees through specific healing prayers. Many experienced a genuine refreshing breath of the Holy Spirit, revealing to them things they didn't realize were in the way of their spiritual growth.

Soul Care is the ministry Robin brings to PFG. Through intercession and discernment, God leads one to discover the reasons why their lives continually come to a standstill, frustrating their relationships, personal lives, ministry and/or relationship with God. Through healing prayer and conversation, people find themselves walking in a new wholeness and freedom.

More information can be found on our website!

👂👂 Sometimes we are unaware of the things burdening and holding our souls hostage. We can struggle to experience, hear, and have right relationship with God and others because our hearts are weighed down and need cleansing. The conference blessed me immensely in that I not only learned so much about Prayer Ministry but I've also experienced the healing that comes through Holy Spirit guided prayers. These pointed prayers led me to come out of agreement with the lies I've believed, lay down coping mechanisms I've had, and tend to areas of my soul that desperately needed repair. Lord willing, I can more healthily fulfill the Great Commission and the first and second commandments. Our souls DO need tending and what we ignore does not heal. I am so grateful to have been able to attend the conference and have never felt this light and unburdened in my walk with the Lord. 👂👂

👂👂 Thank you for the Soul Care conference that I attended. It was GREATLY appreciated! I think that one of the issues of our lives is that we don't stop and reflect and also, be sensitive to the Holy Spirit. The conference helped me do both of those things! But over and above that, it's good to have someone directing you how to do so. Additionally, I believe that reviewing what has happened in previous generations can lead to a greater understanding of what we have gone through and are going through. What a blessing both of you are! 👂👂

👂👂 This conference came at the perfect time for me on my healing journey. The Lord had been clarifying and strengthening my identity in Him, but there were still pieces from my past that I knew He wanted to look at. I prayed before the conference that He would bring things to light that were important on my journey with Him. The session that Robin led on breaking word curses was the most powerful for me. It allowed me to see how things that had been spoken over me as a young child shaped my thoughts about myself and may even have influenced the sexual sins that I committed as a young adult and how I responded to the consequences of my sin. It was powerful to sit and allow the Lord to reveal to me what that had done. I had come into agreement with these untruths, and they were not anywhere close to what my Lord says of me. He quietly spoke over me that I am His, that He rejoices over me, and He is patiently waiting for me to step into the giftings He has given me. No longer will I keep myself small and allow myself to fade into the background of life because there are others who can do things better. I am who He says I am with gifts that He lovingly placed in me, not the words that were spoken over me years ago. I closed my eyes at the conference and literally pictured Him dancing in delight over me and my life.

It was a powerful thing to verbally confess and repent for receiving the word curses that I had been operating under. I forgave myself and those who had spoken them, and ultimately received the Lord's divine blessing that declares the opposite. Healing is a journey and I understand that I have more to discover on mine, but I am thankful for the discoveries the Lord healed me from this weekend. It was a blessing to sit in His presence and hear from Him in a way that led me to greater freedom in Christ. 👂👂

Cape Vincent MISSION UPDATE

This past July, Pure for God took our second mission to Cape Vincent. Our purpose was to encourage the small group of believers there who desire to experience God's touch upon their village. Over the last few years God has given specific callings to these believers that include two ladies Bible studies, the forming of a men's group through a local church, and a Christian run restaurant that holds worship concerts and offers kindness to the community. People are being baptized, stepping up to see and support individual people on different journeys, hosting a weekly online teaching called Outpost, from Church of 1122 Ministries, and starting a Young Adults group in October.

It has been a pure joy to see them be determined to MATURE in their faith, through thick or thin. You may recall we lived in Cape Vincent for 13 years. While there, we organically ministered to many and faithfully prayed for God to move in this village. We are blessed to see how God has indeed answered our prayers.

Please pray with us that the believers' hearts there will remain pliable in God's hands, that they will grow strong in the Lord and for many more to be saved!

The whole month of December Brad and Robin will be ministering at Riverside Church in Sebastian, FL. Our purpose is to support this local church as they are transitioning and searching for a new Senior Pastor. Brad will be preaching and teaching. Robin will be available for one-on-one Soul Care and possibly hold a Soul Care Conference in the area.

A Thousand ELSEWHERE

I (Brad) had two prayers as this book was released. First, that people would read it and think about God, not me (mission accomplished!) Second, that it would connect with people's hearts and inspire them to draw closer to a very relatable God when they face challenges. That has been the overwhelming feedback! Praise you Lord!

The book was released in July and here's what some people had to say:

"It stopped me dead in my tracks."

"God's words through you are having a profound impact on me."

"I cried all the way through it."

"This is quite some journey you and the Lord have been on..."
